Hello, Nick! ~~Oh~~ I am so happy for you! The competition was really hard, I have watched it on TV, but you are very good sportsmen. So, you need to choose the city for your vacation. It is too difficult to choose between these cities. But I think now you should visit Moscow. And there is some reasons why: the first reason is Moscow has a lot of different historical places, so you can visit them. Besides, there are people from other countries in Moscow and you can make friends with them. Finally, you can watch famous Russian ballet. And Sochi has great beaches and sea, but you don't like to swim.

Now I need to say Goodbye.

Best wishes,

Karina

## IV. WRITING (14 points)

Hello, Nick. I'm reading your email right now, and I think I know which one of these two places you should choose! The answer is simple. If you wanna relax and have a great time, and if you not so interested in Russian culture, of course, you should visit Sochi. You can swim and enjoy bright yellow sun, try something new, like surfing! You also can sleep in a tent under the stars, and not worried about weather because summer in Sochi is very hot even afternoon. How about Moscow? You can choose Moscow if you really want to know more about Russia and our culture, food, historic moments and other traditional things. Moscow is famous for music and dances, like ballets, Beautiful artworks, symphonies and operas. It's all about Russia. There are so many museums, as you know already. But if you get tired fast - Moscow is not for you, and you don't have to choose this place. If you live in megapolis like Moscow city it gets very boring. That's it! I hope you find the right place in my answer. Have a great holidays, bye!

Hi Nick, I don't know what's better, but I prefer Moscow. It is a big city, that has a lot of people. And it is so famous for its artistic accomplishments like operas or ballets or maybe classical music or symphonies and paintings, that not so good ~~black~~ ~~to the~~ ~~that~~ like black cube. Also during your trip you will see the important and historic Red Square, incredible sites like the Kremlin or LENIN'S Mausoleum, and the stunning St Basil's Cathedral. And when you come in Moscow you can stay in a luxury hotel (that can be expensive) in this exciting capital city. And Moscow is better than Sochi because in Moscow there are a lot of places where you can go, and in Moscow you can stay in hotel, in Sochi you need to sleep under stars on street.

Hi, Nick

For me you should choose Moscow. Because Moscow is one of the best city in the world. It is a beautiful, interesting and historical. There you can go to sight seeing: Red square, Kremlin, Lenin's Mausoleum, Tretyakov Art Gallery, Pushkin state Museum of Fine Arts and some football stadiums.

Why you shouldn't go to sochi, because now the weather there is bad!

By good luck!
